1	17	3	1	317	24	1

Mike + the Mechanics are an English pop/rock supergroup formed in 1985 as a side project of Mike Rutherford, the bassist/guitarist and one of the founding members of the band Genesis. Initially, the band included the vocalists Paul Carrack and Paul Young. Carrack was generally assigned to ballads and more pop-oriented numbers, while Young handled the band's heavier work.
